## What to Bring to a Tax Site

Bring the following documents with you to a tax site:

- ✓ **Social security cards (or ITINs) for all family members and Photo I.D. for taxpayer are required.** Because of new software at all sites, no data from previous years will be available at these sites.
- ✓ All W-2s, 1099s and any other income-related documents. A copy of last year's tax return, if available.
- ✓ Proof of mortgage interest, property taxes, charitable donations and tax-deductible expenses.
- ✓ For the Child & Dependent Care Credit, total paid to daycare provider and the provider's tax ID.
- ✓ For college expenses: In addition to Form 1098T from your college, bring records of expenses paid for tuition, books, fees and supplies.
- ✓ If eligible for Colo. Rent-Heat Rebate: 2016 rent receipts and heating bills.
- ✓ Bank account number and routing number to direct deposit your refund. Get your refund back faster with direct deposit!
- ✓ Your health coverage form. If you or your family had coverage through:
  - ✓ **Connect for Health Colorado:** You will need a Form 1095-A, which you should receive by mid-February. If not, log in to [connectforhealthco.com](http://connectforhealthco.com) or call Connect for Health Colorado, 1-855-PLANS-4YOU.
  - ✓ **Health First Colorado:** You may need a Form 1095-B, which you should receive by January 31st. If not, log in to [Colorado.gov/PEAK](http://Colorado.gov/PEAK) contact Health First Colorado at 1-800-221-3943.
  - ✓ **Your Employer:** You will need a Form 1095-C or Form 1095-B. Contact your employer benefits department if you haven't received it.

**Didn't have health coverage in 2016?** You may have to pay a fine. Before paying the fine, check to see if you qualify for an exemption by visiting [www.healthcare.gov](http://www.healthcare.gov).

### WHAT IS THE "DROP-OFF" SERVICE?

Instead of waiting for someone to finish preparing your return, you can "drop-off" your tax information and pick up your completed return the following week. IRS-certified volunteers will go through a thorough intake and collect all necessary tax documents. That information will then be completed by volunteers at a different time and potentially in a different location. When you return to the tax site, a volunteer will review your completed return and get your permission to electronically file it. This means less time waiting at the tax site for you with the same great service! All tax sites providing a drop off option will comply to all IRS regulations to keep your information safe and secure.

### FACILITATED SELF ASSISTANCE

Do you have simple tax forms and a valid email address? Why wait to have someone else prepare your taxes? Locations offering facilitated self assistance will allow you to do your own taxes on free tax software, with the help of an IRS-certified volunteer to help answer your questions along the way.
